

Proofpoint User's Appreciation-Nite

Email security and compliance focused. SaaS inspired.

For nine years **Proofpoint** has focused exclusively on solving the unique challenges posed by **enterprise email**. Proofpoint best-of-breed solutions combine multiple innovative security features into a single platform with a three-part mission: **Improve security and compliance. Minimize ongoing costs. Simplify the management of it all.**

Because every enterprise is unique, flexibility defines Proofpoint solutions, deployments and support. Proofpoint lead the way with **SaaS-based email security and compliance solutions**, but also specialize in **appliance, virtual appliance** and unique **hybrid deployments**. And Proofpoint back it all up with a commitment to customer service where exceptional is the rule.
